**Down Home Humor - Uptown Attitude**

**Keynote Speaker ★ Breakouts ★ Workshops ★ MC**

Jim Bob Solsbery has been entertaining audiences for over 30 years with his down-home humor and his upbeat style that instantly connects with any crowd. Jim Bob is a home-spun philosopher of success. His folksy wit takes us from his rural upbringing in Maryneal, Texas to today's fast-paced business environment. He shares principles and hysterical stories centering around his simple belief that we make life too complicated and we need to lighten-up and take responsibility for our attitude.

Early in his speaking career, Jim Bob focused his speaking to the education market (a tough crowd to please). Today, he has expanded his material to include the education, association and business markets. Jim Bob's "listener friendly" humor and stories relate to all audiences - regardless of their position within an organization.

**“Humor is more than making people laugh - It is an attitude!”**

**Jim Bob Solsbery**

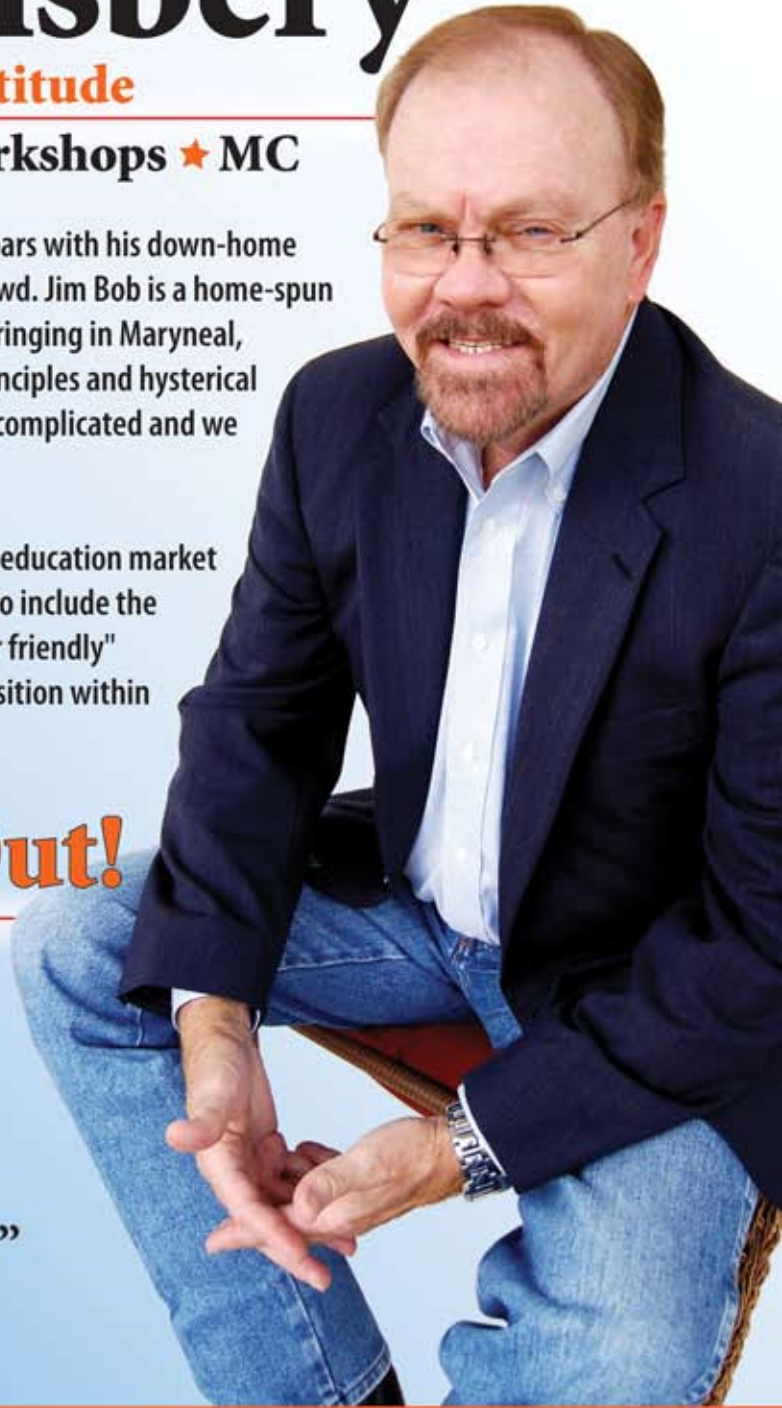

There is laughter inside all of us! Humor releases that laughter and creates an attitude! That attitude is highly effective and can be used to improve communications, customer service, work-place environment and the bottom line.

The “humor attitude” encourages us to “bring our best-self” to work each day –

energized, enthusiastic, motivated and ready to be productive. Humor is a positive mindset and readily lends itself to creative problem solving. You can't laugh and worry at the same time!
